

**LONE WOLF**  
TECHNOLOGIES  
WOLFwatch

## An accounting service that specializes in the brokerWOLF Back Office Management Solution.

*WOLFwatch is an accounting service that specializes in the brokerWOLF back office accounting system.  
It closes the gap that exists between data entry and accurate, timely monthly financial reports.  
WOLFwatch is available either on an hourly or monthly basis.*

*Close the gap that exists between data entry and accurate,  
timely monthly financial reports!*

- Know the financial status of your company
- Have clean and accurate financial statements
- Be fully prepared for your yearend or an audit
- Have current and accurate bank reconciliations
- Be assured that trust liability and sub-ledgers are all in balance
- Know the status of outstanding agent receivables

**HAVE THE PEACE OF MIND THAT YOUR  
ACCOUNTING DATA IS ACCURATE WITH OUR EXPERT SERVICE TEAM!**

“I want you to know how much I have appreciated the month end information that your WOLFwatch service has provided. It's easy, complete and a totally valuable tool. The reports provided have given me the opportunity to view my business from an entirely different perspective. I would strongly endorse your WOLFwatch services for any growing company.”

Sally Koss  
Owner, RE/MAX Landmark
