Dear Member,

With the market moving faster than ever, we wanted to make sure you didn't miss our earlier update. We're excited to share that we will be providing Lone Wolf Transactions (TransactionDesk Edition) to you as an agent member benefit in [Date: year]! This means you can continue to use Transactions as your go-to solution for digital forms, listings, signings (and more!) with absolutely no disruption to your service.

We're honored to provide Transactions to you and share that, in collaboration with our partners at Lone Wolf, we'll also be offering a series of training sessions. This is a great opportunity to get up to speed with everything Transactions has to offer.

If you're new to Transactions, here's a quick look at the solution. Activating your member benefit is easy – [add instructions for activation here].

Thank you,
