Listing data entry done right the first time.

Lone Wolf

MLS-Connect®

MLS-Connect® is your fast-track solution to alleviating data entry error during the transaction creation process. Import or push data from your MLS listings directly into Transactions (zipForm Edition) to fill out forms quicker and easier.

MLS data access
Easily access your MLS listing data while staying logged into Transactions by entering your MLS provider name and login credentials.

Property search
Quickly find and select a property listing by entering the MLS listing ID.

Automatic form fill
Save time and eliminate double data entry by importing or pushing MLS data directly into your Transactions.

User-friendly interface
Allows users to navigate the transaction creation process with ease.

RETS compliant
Transactions (zipForm Edition) is Real Estate Transaction Standard compliant, allowing users to receive data from MLS providers.

MLS partnerships
MLS providers can provide MLS-Connect® as a member benefit or allow members to purchase for a small yearly license fee.

Annual subscription: $24.95
